About Us

WORKSHOP

Guangdong Zhonghuilvjian Moving House Technology Co., Ltd. have 28 manufacture basic in China, high production capacity, can offer to any quantity inquiry any time.

Q&A

1.How many time should I take for installation?

3 people+1 crane+15 mins=1 house

2.How many units can be fit in one 40ft shipping container?

One 40HC can fit 10 units.

3.How about the delivery time?

After receiving the deposit,

around 10-15 working days can finish the production time

4.What is your MOQ?

If you have other goods want to ship together, 1 unit is OK. If not,

10 units can be shipped in one 40HC.

5.Are these only available in such a small area? Can it be customized size?

These container houses are stackable, up to 3 levels; they can also be connected and make the interior area larger; and the container house's size can be customized

WE CREATE THE SPACE. YOU CREATE THE FUTURE.
